Word from the editor

The 2017 Flag Football rule book is the forth revised edition after starting in 2009. The revisions getting smaller, but the International Rules Group will continue to keep the rules developing with the level of game.

Important changes for 2017 are:

- Reference to Tackle deleted, the Flag Rules Book is a complete one and can stand alone.
- One colored flags, contrasting to all colors of the pants, will give Defense a fair chance to avoid contact.
- Coin toss procedure changed. Winner can chose to start first or second half. Side will be determined by team not starting first half. Same procedure at Overtime.
- Overtime will have only one period (2 series) from the middle. Afterwards it will be a 1-point-try shoot out.
- Clock will also stop in the last 2 minutes when a fumble strikes the ground.
- Encroachment, disconcerting signals and illegal blitz signal becomes a dead ball penalty, like touching the ball. This will avoid plays with fouls before the snap and where its not clear if RoW has to be given or not.
- 7 second count will start with the snap.
- Unsportsmanlike acts will be enforced as dead ball foul, because it has no effect on the outcome of the play.

There has been a long discussion which penalty and enforcement will be fair for a foul. Some changes are made but in general we agreed that there is no perfect ruling possible. A change for one situation can be unfair at another one and things getting complicate. Flag rules will not cover all, short and simple is more worth than perfection.

A couple of changes are made to help to understand the rules better. Editorial changes have been made and Interpretations added. All changes, even the small ones, are highlighted in yellow, so you can find all changed wording.

Flag Football Rules

IFAF Flag Football Rules are based on Tackle rules, but kept short and simple. The structure will follow Tackle Rules, but the content and numbering will not always correspond. The Flag Football Rules Book covers everything to play Flag without knowing the Tackle rules. All important or special things have been determined and ruled. Only some specific information (e.g. specifications of ball) are not covered. If there is a need for more information you will have to look in the Tackle Rules Book (e.g. R 1-3-1).

As a coach or official you will need to understand the flag rules as a whole.

The Football Code of the IFAF Tackle Football Rules is an integral part of the Flag rules.

Flag football is non-contact. Blocking, tackling and kicking are not allowed.

The most important aspect of Flag Football is to avoid contact, it is to make the flags an easy target for the defense, but in return to demand to pull it without contact.

National Changes

For national competition games it is possible to change rules as follows:

- R 1-1-1 Field dimensions can be changed due to game site or age.
Length (excluding end zones) can be shortened to a minimum of 40 yd (36,60 m) or lengthened to a maximum of 60 yd (54,90 m), end zones can be shortened to a minimum of 8 yd (7,30 m) and width can be narrowed to a minimum of 20 yd (18, 30 m) or widened to a maximum of 30 yd (27,45 m).
Safety area cannot be altered.
It is possible either to reduce length and/or end zones and/or width or to extend length (end zones 10 yd) and/or width. It is not possible to reduce length and extend width or reverse.
Its recommended that if the field length is altered then the field width should be altered by half the amount by which the length is altered in order to maintain the relative field dimensions.
- R 1-1-1 Minimum field markings are side lines, goal lines and end lines.
- R 1-1-1 Pylons or disk markers are only recommended.
- R 1-1-1 Down indicator is only recommended.
- R 1-1-1 Score board is only recommended.
- R 1-1-1 Team rosters can consist of more than 12 players.
- R 1-1-1 Teams can have players of different sex.
- R 1-1-4 Officials only recommended.
- R 1-2-1 Game balls need not to be leather.
- R 1-3-1 Flags need not to be pop-flags in youth games.
- R 1-3-1 Mouthpiece only recommended.
- R 1-3-2 Head wear could be legal, if it does not endanger or offend other players.
- R 3-2-1 **Playing time** can be changed due to competition or age.
- R 3-2-5 **The length of the interval period where the clock will be stopped can be reduced from 2 to 1 minute.**
- R 3-3-2 Number of Timeouts can be **changed.**

Indoor Flag Football

Additional possible changes:

- R 1-1-1 Field dimensions can be changed as big as the game site allows.
- R 1-1-1 Marking of field will be made with pylons or disk markers.
- R 1-3-1 Shoes must have flat, not colored, not rubbing off soles.
- R 3-2-5 Clock stops only in the last minute of each half.
- R 5-1-1 Series of downs can be reduced to 3 downs.
- R 5-1-1 Middle line can be deleted (no first down possible).

All other rules are conduct rules and may not be altered.

Each goal line is part of a vertical plane separating an end zone from the field of play when the ball is touched or is in player possession, the plane extends beyond the side lines. A team's goal line is the one it is defending.

ARTICLE 6. Middle Line

Blitzers can get the right of way, if they raise one hand clearly above the head at least during the last second before the snap. There is no requirement for a player requesting right of way to blitz and a player may blitz without requesting it. The rush has to be quick and straight to near the point where the quarterback receives the snap. If a blitz is rushing slowly, aiming at another spot or changing direction during the rush, he loses the right of way.

ARTICLE 4. Loss of a down

“Loss of a down” is an abbreviation meaning “loss of the right to repeat a down”.

ARTICLE 2. Crosses Scrimmage Line

A legal forward pass has crossed the scrimmage line when it first strikes anything beyond the scrimmage line inbounds.

ARTICLE 3. Catch, Interception

A catch is the act of firmly establishing and maintaining player possession of a live ball in flight. A catch of an opponent's pass is an interception. A player who leaves his feet to make a catch or interception must have the ball firmly in his possession when he first returns to the ground inbounds with any part of his body and maintain complete and continuous control of the ball throughout the process of contacting the ground to complete a pass. If the player loses control of the ball and the ball touches the ground before the process of the catch is complete then it is not a catch.

ARTICLE 4. Sack

SECTION 11. Holding, Blocking, Contact and Tackling

ARTICLE 2. Blocking

A moving offensive player who impedes an opponent from getting to the runner or impedes a legal blitzing player is guilty of blocking. A player standing still (with the right of place) is not blocking, even if he is in between the runner and the opponent or in the way of a blitzing player.

ARTICLE 2. Diving

Diving is an attempt by the runner to avoid a flag pull by the forward leaning the upper body, with or without jumping.

ARTICLE 3. Spinning

Spinning is an attempt by the runner to avoid a flag pull by rotation of the body along the vertical axis. Spinning is legal.

SECTION 13. Right of Place (RoP), Right of Way (RoW)

ARTICLE 1. Right of Place

Right of place is given to a standing player. Standing means to remain at the spot **with normal player posture** and make no lateral movement. Jumping vertically in order to throw or catch a pass or pulling a flag whilst standing still does not give up the right of place.

Right of place supersedes right of way when determining who is guilty of a foul.

ARTICLE 2. Right of Way

Right of way is given to a player by rule who has established a direction of movement **with normal player moves** and does not alter that direction.

RULE 3**Periods and Timing****SECTION 1. Start of Each Period****ARTICLE 1. First Half**

Each team has to announce a maximum of 2 coaches and a maximum of 2 captains to the referee.

3 minutes before the scheduled starting time, the referee shall toss a coin at midfield in presence of the captains from each team, first designating the captain of the visiting team to call the coin toss.

The winner of the toss will have the option to put the ball in play first by a snap at its own 5-yard-line in the first half or in the second half. If the winner chooses the first half, the other team will elect which side to defend. If the winner chooses the second half, he will elect which side to defend and the other team will put the ball in play in the first half. There are no kickoffs.

ARTICLE 2. Second Half

In the second half, the teams shall defend the opposite goal line to the one they defended in the first half. The team not starting with the ball in the first half, will put the ball in play by a snap at its own 5-yard-line.

ARTICLE 3. Overtime (Tiebreaker)

The tiebreaker system will be used when a game is tied after 2 halves and the competition mandates a winner must be determined.

- a. After a 2 minute intermission, the referee shall toss a coin at midfield as at the beginning of the game.
- b. The winner of the toss will choose to start each following period as Offense or as Defense. If the winner chooses to start with Offense, the other team will elect which end of the field they will defend. If the winner chooses to start with Defense, he will elect which end of the field they will defend.
- c. No charged team timeouts will be granted.
- d. The first extra period consist of 2 series with each team putting the ball in play by a snap at the middle line for one series of downs (no first down at middle), except when the defense scores during the first series other than on the try.
- e. Each team retains the ball during its series until it scores, including try downs (extra points for 1 or 2), or fails to score. The ball remains alive after a change of team possession until it is declared dead; the series is ended even if there is a second change of possession.
- f. If after the first period (with 2 series including tries) the score is still tied, the second and following periods consist of series with each team playing a 1-point-try from the 5-yard-line. The overtime ends when the score after a period is no longer a tie or the defense scores during the first series.
- g. The team scoring the greater number of points during the regulation and overtime shall be declared the winner.

ARTICLE 4. Tournament Tie breaker system

If 2 or more teams in a tournament have the same total percentage (win-tie-loss), the following procedure will decide the order of the teams step by step:

1. Head to head percentage, if all teams played each other.
2. Head to head net point differential, if all teams played each other.
3. Head to head points scored, if all teams played each other.
4. Total net point differential.
5. Total points scored.
6. Coin toss.

The organizer of a tournament has to decide the order of teams if the tie breaker system does not fit.

SECTION 2. Playing Time**ARTICLE 1. Length of Play and Intermission**

The total playing time shall be 40 minutes, divided into 2 halves of 20 minutes each, with a 2 minute intermission in between.

ARTICLE 2. Extension of Periods

A period shall be extended until a down has been played which is free from live ball fouls for which the penalty is accepted. If offsetting fouls occur during a down in which time expires, the down will be repeated.

No period shall end until the ball is dead and the referee declares the period ended. [S14]

ARTICLE 3. Timing Devices

Playing time and 25-Second-Clock shall be kept with a game clock that may be either a stop watch operated by an official or a game clock operated by an assistant under the direction of the appropriate official.

ARTICLE 4. When Clock Starts

When the game clock has been stopped by rule it shall be started when the ball is legally snapped.

Exception: The game clock will start at the ready-for-play when it was only stopped at referee's discretion.

AR 3-2-4-I to III

2. To complete a penalty.
3. When a ball or runner goes out of bounds.
4. When a pass or fumble strikes the ground.
5. When a score is made.
6. When a charged timeout is granted.

The game clock shall not run during a try within the last 2 minutes, during an extension of a period or during an extra period.

SECTION 3. Timeouts

ARTICLE 1. How Charged

The referee shall declare a timeout when he suspends play for any reason. Each timeout shall be charged to one of the teams or designated as an official timeout. [S3]

ARTICLE 2. Charged Team Timeouts

An official shall allow a charged team timeout when requested by any coach or inbound player when the ball is dead. Each team is entitled to 2 charged team timeouts per half. Unused timeouts may not be carried over to a subsequent period.

ARTICLE 3. Injury Timeout

In the event of an injured player any official may declare an official timeout, provided the player for whom the timeout is taken is removed from the game for at least one down.

ARTICLE 4. Length of Timeouts

A charged team timeout shall not exceed 90 seconds (this includes the 25 seconds after the ready for play).

The referee shall notify both teams 30 seconds before a charged timeout expires and 5 seconds later shall declare the ball ready for play (R 3-3-5).

Other timeouts shall be no longer than the referee deems necessary to fulfill the purpose for which they are declared.

ARTICLE 5. Referees Notification

Unless a visual game clock is the official timepiece, the referee shall inform all coaches when the ball becomes dead and 2 minutes or less (in case of a live ball) of playing time remain in each half. The clock will not be stopped just for the notification.

RULE 4**Live Ball, Dead Ball**

SECTION 1. Live Ball - Dead Ball**ARTICLE 1. Dead Ball Becomes Alive**

For the next down the ball shall be put in play at the spot midway between the side lines, laterally in line with the spot where the ball was when it became dead by rule, or at the spot where the ball has been placed following completion of an accepted penalty or to award a new series.

After a dead ball is ready for play, it becomes a live ball when it is legally snapped.

A ball snapped before it is ready for play or is illegally snapped remains dead.

A foul before the ball is snapped (delay of game, encroachment, false start, disconcerting signal, illegal blitzer signal) will cause the ball to remain dead.

ARTICLE 2. Live Ball Becomes Dead

A live ball becomes dead and an official shall sound his whistle when:

- a. A ball touches anything out of bounds.
- b. The runner goes out of bounds.
- c. Any part of the runner's body, except his hand or foot, touches the ground.
- d. A runner simulates placing his knee on the ground.
- e. A pass or fumble strikes the ground.
- f. A teammate of the fumbler catches the ball.
- g. A player becomes in possession of the ball with fewer than 2 flags.
- h. The flags of a player in possession of the ball are not positioned correctly and the player himself is responsible for it.
- i. A touchdown, touchback, safety or successful try occurs.
- j. A foul which causes the ball to become dead (e.g. illegal kick or delay of pass) occurs.

On an inadvertent whistle by an official, the ball becomes dead and the team in possession may elect either to put the ball next in play where it was declared dead or to replay the down.

RULE 5**Series of Downs**

SECTION 1. A Series: Started, Broken, Renewed**ARTICLE 1. When to Award Series**

A series of 4 consecutive scrimmage downs shall be awarded to the team that is next to put the ball in play by a snap at the beginning of each period and after a score, safety, touchback or change of team possession. [S8]

A new series shall be awarded to the offense if:

- a. It is in legal possession (following the application of any accepted live ball penalty) of the ball beyond the middle when the ball is declared dead and it is the first time in this series that has happened. If a subsequent play or penalty brings the ball back behind the middle and the ball is then advanced across the middle line for a second time during the same series, no new first down shall be awarded. *AR 5-1-1-I to II*
- b. An accepted penalty results in or mandates a first down.

A new series shall be awarded to the defense on its own 5-yard-line if the offense following 4th down has failed to score or earn a new first down.

A new series shall be awarded to the defense at the dead ball spot after an interception.

SECTION 2. Down and Possession after a Penalty**ARTICLE 1. Foul Before Change of Team Possession**

ARTICLE 2. Unfair Tactics

If a team refuses to play or repeatedly commits fouls that can be penalized only by halving the distance or commit an obviously unfair act not specifically covered by the rules, the referee may take any action he considers equitable, including assessing a penalty, disqualify a player or coach, awarding a score, or suspending or forfeiting the game.

SECTION 2. Penalties Completed**ARTICLE 1. How and When Completed**

A penalty is completed when it is accepted, declined or canceled. Any penalty may be declined by a team captain or coach, but a disqualified player must leave the game.

When a foul is committed, the penalty shall be completed before the ball is declared ready for play.

Only team captains and coaches may ask the referee questions about rule clarification.

ARTICLE 2. Simultaneous With Snap

A foul that occurs simultaneously with a snap is considered as occurring during that down, the spot of foul is the scrimmage line.

ARTICLE 3. Live Ball Fouls by the Same Team

When 2 or more live ball fouls by the same team are reported to the referee, the referee shall explain the alternative penalties to the field captain of the offended team, who then may elect only one of these penalties.

ARTICLE 4. Offsetting Fouls

If live ball fouls by both teams are reported to the referee, the fouls offset and the down is replayed.

Exceptions:

1. When there is a change of team possession during a down, and the team last gaining possession had not fouled before last gaining possession, it may decline offsetting fouls and thereby retain possession after completion of the penalty for its foul.

2. When a live ball foul is administered as a dead ball foul, it does not offset and is enforced in order of occurrence.

AR 10-2-4-I to IV

ARTICLE 5. Dead ball Fouls

Penalties for dead ball fouls are administered separately and in order of occurrence.

ARTICLE 6. Interval Fouls

Penalties for fouls that occur between the periods are enforced from the spot of the next series.

2. For defense fouls when the dead ball spot is beyond the scrimmage line, the basic spot is the dead ball spot.

3. For fouls after a change of possession the basic spot will be the dead ball spot. Only if the foul is on the last related run from the team ending with possession and **its** behind the dead ball spot, the basic spot is the spot of foul.

AR 10-3-1-O-I to VI, AR 10-3-1-D-I to VIII, AR 10-3-1-C-I to VI

ARTICLE 2. Procedures

The enforcement spot for live ball fouls is the previous scrimmage line if not otherwise mentioned in the penalty.

ARTICLE 3. Half-Distance Enforcement

No distance penalty, including tries, shall exceed half the distance from the enforcement spot to the offending team's goal line.

AR 10-3-3-I to III

Philosophy of Enforcement

A quick guideline helping to understand the rules. The exact enforcement has be done by rule.

Fouls prior to the snap keep the ball dead and are enforced from the dead ball spot (scrimmage line).

Illegal snap, delay of game, encroachment, false start, disconcerting signal, illegal blitzer signal

Technical fouls are enforced from the scrimmage line.

Delay of pass, illegal touch, illegal motion, illegal run play, offside, illegal blitz, side line interference, illegal substitution.

Fouls which can be made only by the runner are spot fouls and include loss of down.

Illegal (forward and backward) pass, jumping, diving, flag guarding

An illegal kick by the runner makes the ball dead and the penalty is enforced as dead ball foul.

Fouls during the play will be enforced from the basic spot.

Illegal hand-off, blocking, illegal flag pull, intentionally kicking a pass, pass interference, illegal contact, targeting, game interference, illegal participation.

The basic spot will be the worst of the scrimmage line and the spot of the foul for offense fouls and the worst of the scrimmage line and the dead ball spot for defense fouls.

Unsportsmanlike acts will be enforced as dead ball foul.

Live ball fouls by both teams during the play will offset and the down will be replayed.

Exception: The team last in possession can decline offsetting penalties and keep the ball if it has not fouled before getting the ball. The foul of the team last in possession will be enforced. ("clean hands principle")

Fouls after a change of possession will be enforced from the dead ball spot. The worst spot principle between spot of foul and dead ball spot will be used only on the last run.

INTERPRETATIONS

A rule interpretation, or approved ruling (AR), is an official decision on a given statement of facts. It serves to illustrate the spirit and application of the rule.

AR 1-3-2 / Illegal Equipment

I. One or more players of a team are using very wide pants or skirts.

RULING: Illegal equipment. This kind of pants or skirts is not necessary for playing. It is obvious that the players are trying to gain an advantage.

AR 3-2-4 / Playing Time

I. During the last 2 minutes of a half the clock has been stopped to award a first down.

RULING: Clock will start on the snap.

II. The pass is incomplete, the ball rolls far away from the field, and no player helps the officials to get the ball back to the scrimmage line.

RULING: The referee shall stop the clock at his discretion and the clock will start on the ready.

III. In a close game with 4 minutes on the clock, the leading offense makes delay of game by purpose for several times to consume time.

RULING: The referee shall stop the clock at his discretion and order the clock to start on the next legal snap.

NOTE: If the offense continues to consume time by unfair tactics, the referee will give them a warning to make use of R 10-1-2 and will stop the series of downs and award the ball to the opponent at their 5-yd-line.

AR 5-1-1 / New Series

I. 2 & middle at the 19-yd-line, the run is stopped at the middle line. The ball is spotted with its nose reaching 1 inch into the 4 inch wide middle line.

RULING: No first down, the middle of the field of play is at the middle of the middle line. Should the ball reach 3 inches into the middle line, it would be a first down.

II. 1 & goal at Bs 19-yd-line, the quarterback gets sacked at As 23-yd-line.

RULING: Jumping by the runner. A runner is in charge to avoid any conflict with a defender, even when he has to run around a player on the ground.

VIII. A receiver makes a catch standing with his back to the defender, who closes in to make the flag pull and stops, establishing his RoP due to his now being stationary. After the catch the receiver turns around at the spot and wants to run for extra yardage. In the act of making the turn the receiver contacts the defender. The receiver then runs away from the defender and after gaining some extra yardage the receiver is deflagged.

IV. A blitz, who has given a clear signal, is rushing towards the quarterback and as the quarterback starts to roll out the blitz changes his direction.

RULING: The blitz loses RoW when he changes direction. He has to take care not to block a receiver after altering the direction of his rush.

RULING: Penalty for targeting (10 yd + AFD) against the defense. The RoP is more worth than the RoW (R 2-13-2).

VI. A blitz lines up straight ahead of the snapper and gives a clear signal. After the snap he is rushing straight towards the quarterback, but the snapper does not leave his spot and use his RoP. The blitz changes his lane to avoid contact with the snapper. Immediately afterwards the snapper starts a pass route right in front of the blitz and both collide.

RULING: Penalty for targeting (10 yd) against the offense. The blitz loses RoW when he changes direction, but this will not give the snapper the right to provoke a collision.

NOTE: There will be no penalty if the blitz has room to change his direction for a second time and it is just a blocking by the snapper.

VII. A blitz, who has given a clear signal, is rushing towards the scrimmage line but stops before he crosses it.

RULING: No penalty for the touch, because contact has to have an impact.

XII. The blitzer stops in front of the quarterback after the ball is released and pushes him with the hands at the hip, the quarterback has to make 2 steps to regain balance.

RULING: Penalty for illegal contact defense.

XIII. The blitzer stops as the quarterback releases the ball, the natural throwing movement with a step forward brings the quarterback in contact with the blitzer.

XIV. The blitzer jumps straight in the air as the quarterback starts to release the ball, the quarterback makes 3 steps forward after he has thrown and contacts the blitzer.

XV. The blitzer jumps forward to deflect the ball as the quarterback starts to release the ball and touches the ball before it leaves the hand of the quarterback or touches the arm of the quarterback after the ball left his hand.

RULING: Penalty for targeting, because the point of attack was a ball in possession of a runner (R 9-1-2).

II. A runner is waving his hands near his hips as a far defender tries a desperate flag pull by a jump. There is no contact and the defender misses the flag by a distance.

RULING: No penalties. There has to be a serious attempt to make the action of the runner to a foul. Jumping of a defender is legal.

III. A runner is running towards a defender and before they meet he bends his upper body forward.

RULING: Offense penalty for diving (R 2-12-2). The defender has to avoid the head and body of the runner and the runner's actions in this instance make it more difficult for him.

IX. The defender pulls the flag right at the moment as the receiver touches the ball. The receiver muffs the ball and makes the completion at the second attempt.

RULING: No penalty for illegal flag pull. The defender may anticipate the completion that would turn the receiver to a runner and need not to wait for the catch.

NOTE: In this case the runner may not advance the ball because it is dead if a runner has fewer than 2 flags. (R 4-1-2-g) Even when there is an illegal flag pull (before the touching of the ball), the runner may not advance the ball but will get extra yards by penalty.
